

POTTY TRAINING POLICY

Potties are available in the classrooms for children to access at any time.

When a child starts potty training we will liaise with the parents as how best to suit their child's individual needs.

Children will be encouraged to use the potty and praised.

Privacy screens are available for the children to use if they wish.

If a child has an accident a staff member will change their clothes and complete a 'Change of Clothes' form which the parent will sign when they collect their child.

Spare clothes are available in the nursery but we do encourage parents to provide spare clothing.
