

POTTY TRAINING POLICY

Potties are available in the classrooms for children to access at any time.

When a child starts potty training, we will liaise with the parents as how best to suit their child's individual needs.

Children will be encouraged to use the potty and praised.

Spare clothes are available in the nursery, but we do encourage parents to provide plenty of spare clothing during potty training.

This policy was reviewed on: 1st July 2024
