

Fees 2026

All nursery providers must now clearly show how funded hours are delivered and what additional charges apply. In our price list we have:

- Broken down our pricing into additional hours and food charges
- Sessions that allow you to attend at either no cost or for the cost of just the food, in patterns that we plan out for efficiency
- Created flexible fully inclusive offers where parents choose one of our All-In packages at a favourable rate

You should read this Schedule of Fees alongside our other relevant policies:

- Funding Explained Document
- Admissions Policy
- Provision of Food Policy
